Sub: Submission of Manuscript for publication
Date: 13 September, 2015

Dear Sir,

We hereby submit our manuscript entitled "Assessment of Premenstrual Syndrome among Reproductive Aged Myanmar Women". With the submission of this manuscript we would like to assure that this manuscript has not been published elsewhere, accepted for publication elsewhere or under editorial review for publication elsewhere, and that authority from our University of Medicine 2, Yangon, Myanmar is fully aware of this submission. Submitted manuscript is a Research Article and the findings in this article are the results of our own original work. All authors have contributed significantly in data collection, discussion, manuscript writing and reviewing the manuscript. We all are in agreement with the content of manuscript.

Sincerely,

Dr. Htet Htet Oo
Lecturer, Department of Physiology, University of Medicine 2, Yangon, Myanmar

Professor Mya Thanda Sein
Professor, Department of Physiology, University of Medicine 2, Yangon, Myanmar

Professor Ohnmar
Professor and Head, Department of Physiology, University of Medicine 1, Yangon, Myanmar

Professor Aye Aung
Rector, University of Medicine 2, Yangon, Myanmar

Manuscript Title: Assessment of Premenstrual Syndrome among Reproductive Aged Myanmar Women

We certify that we have participated sufficiently in contributing to the intellectual content, concept and design of this work or the analysis and interpretation of the data, as well as writing of the manuscript, to take public responsibility for it and have agreed to have our name listed as a contributor. We believe that the manuscript represents valid work. Neither this manuscript nor one with substantially similar content under our authorship has been published or is being considered for publication elsewhere. We certify that all the data collected during the study is presented in this manuscript and no data from the study has been or will be published separately. We attest that, if requested by the editors, we will provide the data/information or will cooperate fully in obtaining and providing the data/information on which the manuscript is based, for examination by the editors or their assignees. We hereby transfer all copyright ownership, including any and all rights incidental thereto, exclusively to the Journal, in the event that such work is published by the Journal. The Journal shall own the work, including
1. copyright;
2. the right to grant permission to republish the article in whole or in part, with or without fee;
3. the right to produce preprints or reprints and translate into languages other than English for sale or free distribution; and
4. the right to republish the work in a collection of articles in any other mechanical or electronic format.

We give the rights to the corresponding author to make necessary changes as per the request of the journal, do the rest of the correspondence on our behalf and she will act as the guarantor for the manuscript on our behalf. All persons who have made substantial contributions to the work reported in the manuscript, but who are not contributors, are named in the Acknowledgment and have given us their written permission to be named.

Name                                      Signature                                      Date signed
1. Dr. Htet Htet Oo                          ________________________________                    1st September 2015
