

## Acknowledgement

‘The Initiation’ is an important output of Student Forum for Forestry Research and Environment Conservation (SUFFREC) to accomplish its conservation goals. Being a reputed journal in the field of forestry, it’s our great honor to get the opportunity of publishing ‘The Initiation’. In fact it’s been a challenge for us rather than the opportunity to produce such an important journal. It’s not a term of short period to compile this journal by exploring the devastated area of forestry and environment.

No one walks alone on the journey of life; just where you start to thank those that joined you, walked beside you, and helped you along the way continuously urged us to compile this journal. Our effort could not have been brought into effect in this form without the support of our well wishers. It actually proves that ‘The initiation’ is the matter of concern to everyone. And each and every person related to this journal is a member of this endeavor by their seen and unseen support.

We want to show our gratitude to our previous publication coordination committees and other important supporters, who contributed to establish the journal and continuing their priceless effort till date. Our deepest gratitude goes to the respected advisors for their guidance and support for this journey. The journey would not have been possible without our financial contributors. We appreciate KAFCOL, BCN, and LENS for their financial support.

We would like to thank executive committee of SUFFREC for providing good environment and facilities. We would also like to take this opportunity to thank to Dr. Bishnu Hari Pandit, Dr. Ambika Gautam, Dr. Mohan Wagle, Dr. Shushila Chattergii Nepali, Mr. Prakash Sayami, Mr. Shiva Sankar Neupane, Mr. Bishnu Prasad Shrestha, Ms. Richa Niraula, Mr. Laxmi Dutta Bhatta, Mr. Murari Raj Joshi, Mr. Ram Assesswor Mandal and Mr. B. Dipak Upadhaya for their influential contribution in reviewing and editing articles. Apart from the contribution we are grateful to Mr. Shambhu Paudel and Mr. Suraj Upadhaya who were abundantly helpful and offered invaluable assistance, support and guidance.

Last but not least: We heartily thank to all organizations and persons who directly and indirectly helped us by sharing their experience and providing valuable information. And hope for the same kind of support in future too.

Regards!!

Coordinator
