

The *Saptagandaki Journal*

Editorial

It is our immense pleasure to present this 14th volume of "The Saptagandaki Journal", an official publication of Saptagandaki Multiple Campus, Bharatpur, Chitwan, Nepal. This volume includes a distinct collection of eight research articles, continuing the tradition of multi-disciplinary approach of our publication practice. These articles are the contributions of in-house faculty members and other scholars who pursue cutting-edge research in their fields. The articles in this volume includes the diverse topics like corporate finance, human resource management, industry-academia linkage, water quality measurement, teaching-learning andragogy, story analysis, and more. These researches explore new insights into the Nepalese context and contribute to the academic discourse in their respective fields.

Thus, the 14th volume of "The Saptagandaki Journal" has been a remarkable collection of distinct articles that showcase the diverse research interests of the academic community. We hope that these articles provide valuable insights and contribute to the academic discourse in their respective fields. We would like to extend our gratitude to all the authors for their contributions and the reviewers for their valuable feedback. We would like to express our gratitude to all the contributors for their efforts and commitment to producing quality research. We also thank the reviewers for their insightful comments and suggestions, which have helped us to improve the quality of the research articles. We hope that this volume will stimulate further research and contribute to the knowledge enhancement in diverse fields.
